PURPOSE

Bruce Township is soliciting proposals from experienced, licensed and insured, asphalt paving contractors for the removal, replacement and repair of an asphalt parking lot located at 223 East Gates, Romeo, MI, per the attached map.

SCOPE OF SERVICES

- A. Contractor responsible for disposal of existing asphalt
- B. Grade sub grade and compact to allow for 6" asphalt
- C. Adjust and rebuild structures as needed
- D. Apply a minimum 4" HMA3C leveling course
- E. Apply a minimum 2" HMA5E3
- F. Apply SS 1 H bond coat
- G. Restripe all pavement graphics as presently exists with traffic quality paint
- H. Services performed between the hours of 8:00am and 7:00pm
- I. Scanning and protecting underground utilities is contractor responsibility
- J. Contractor responsible for protecting fencing, tanks/equipment in dumpster/tank area
- K. Remove large tree along with roots under driveway

PROPOSAL REQUIREMENTS

The proposal shall include cost for all items listed under scope of services, copies of certificate of liability and workers compensation insurance to be included. Note, Township of Bruce is tax exempt. (EIN per request) No price escalation will be allowed once pricing has been submitted by the vendor at the Clerk's office.

The proposal shall be written in an 8 ½" x 11" format. A total of 7 copies (sealed bids only) **must be received by June 3, 2024, no later than 4:30 p.m.** Bids will be opened at the Bruce Township Hall on June 4th at 10:00 am. Contractors are welcome. Proposals received after this date will not be considered. All costs associated with proposal preparation shall be assumed by the vendor. Questions regarding specifications or handling of proposals shall be directed to the Township Clerk.
